What do you want to do with the matter of the PC substitution?
Fujii-san.
It's okay, let's get a new one. We'll have to deal with it anyway
It can't be helped
That's true.
But even if I say that, I think the previous version would be more stable
Right now I can get an older model,
Hmm.

...IT CAN'T BE HELPED IT'S JUST HOW IT IS
Apparently the owner's sake shop is sold.
What about a new place?
Why are you like this recently?!
More or less these things happen
It can't be helped
IF YOU SAY IT WAS A CHILDISH EVERYDAY FIGHT, IT WAS
You never used to get mad at these things

BUT IT MAKES ME WANT TO SAY THAT IT WAS DIFFERENT AT THE TIME, RIGHT?
IT CAN'T BE HELPED THAT WE KEEP CHANGING I'M NOT THE SAME PERSON AS I WAS BEFORE
AND YOU PROBABLY AREN'T EITHER
WHEN WE FIRST STARTED LIVING TOGETHER LIKE THAT
WHEN WE FIRST STARTED DATING,
WHEN WE FIRST GOT TO KNOW EACH OTHER,
Morikawa-san you're a bit different today,
a little more ennoiz

Is that all—but that's still seductive.
No, my neck, I slept on it.
I GUESS I'LL BAIT HER WITH SOMETHING DELICIOUS
Welcome.

I looked at your driver's license.

You are really.
...Ahh, seriously.
I've been defeated

Sorry,
could I have two Mont Blanc aux marrons—
Okay.

I'm home.
Welcome home.
–Oh,

Hm?

Well,

Choosing the same things.
...Sorry.

Morikawa, what time are you coming home today?
I don't know. You can sleep first.
—I'll wait.

Well then,
If you're asleep I'll wake you up.
I'll be awake, waiting.
I'm heading out.
Have a nice day.
